BEYOND THE FINAL SCORE:

There's More to Life than the Game

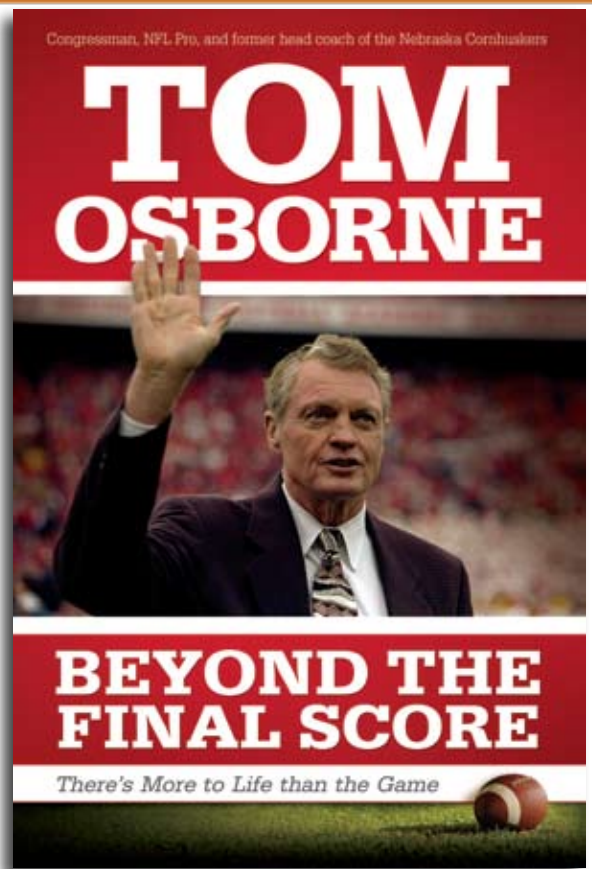

TOM OSBORNE

KEY SELLING POINTS

- A new collection of inspiring stories, practical advice and spiritual insights from a legendary coach, former congressman, educator and mentor.
- Author selected as the "greatest college football coach of all time" in 2007. He led the University of Nebraska Cornhuskers to three national titles.
- Author founded a nationally-recognized student mentoring program and now serves as the University of Nebraska's Athletic Director.
- Aggressive publicity planned, with numerous media appearances by the author.

TITLE SUMMARY

From the vast farmlands of Nebraska to the halls of Congress to the Green Zone in Iraq, Tom Osborne has become a legend by serving those around him and by always putting his God first. Perhaps no college football program in history has seen as much success as Osborne's did under his watch (255 wins in 25 seasons). But there is much more to Tom Osborne. *Beyond the Final Score* chronicles his years as a congressman, educator, family man, mentor and now athletic director. It reveals the character, values and faith that have grounded him throughout his incredible journey. Like a good memoir, *Beyond the Final Score* goes right to the heart of a true American legend. It takes the reader on a walk through surprising moments (such as the day he began training Iraqi women on how to change their nation), profound insights (there is more prayer in Washington than one might think) and many less-than-serious moments (such as the day he thought he was going to teach his wife how to fish). A rare book in which an American legend brings wisdom, sensibility, dignity and spirituality to culture, worldview, politics, leadership and what really matters in everyday life.

FOLLOW ME TO FREEDOM:

Leading as an Ordinary Radical

JOHN PERKINS and SHANE CLAIBORNE

TITLE SUMMARY

Re-Imagine leading and following in a world longing for true justice, compassion and freedom.

Followers of Christ yearn to see the world changed in compassionate, positive, effective ways. As prophetic voices, Shane Claiborne and John Perkins lead the way in this move to be the hands, feet and heart of Jesus. One is young; the other is decades older. One is a self-proclaimed reformed redneck who grew up in the hills of Tennessee and now lives in inner-city Philadelphia; the other is an African-American civil rights leader who was almost beaten to death by police in Mississippi, and went on to found a reconciliation movement and counsel three American presidents. Claiborne and Perkins draw on more than a century of combined following and learning, activating and leading. Together they craft a timely message for ordinary people willing to take radical steps to see real change happen. In *Follow Me to Freedom*, Claiborne and Perkins lead the way toward justice for all, unfolding a proven strategy as ancient as the patriarchs of faith and as fresh as the needs of every human heart. Starting with Moses as a model, they re-imagine leading and following in a world desperate for true social justice, compassion and freedom. They offer practical ways to internalize and live out God's promise of freedom in the twenty-first century. Followers of Christ will not only be inspired but also catalyzed into action, and the world will never be the same.

THE MIRAGE OF PEACE

Why the Conflict in the Middle East Never Ends

DAVID AIKMAN

TITLE SUMMARY

Former *TIME* Magazine Jerusalem bureau chief David Aikman takes a sober, balanced look at the Middle East, bringing a journalist's mind and a believer's heart to his examination of a region aflame. In this timely and informed exploration of current Mid-East issues that goes beyond headlines and sound bites, Aikman fills in the blanks for thoughtful Christians, accurately tracing recent history and fairly portraying the leaders who have made that history. With a firm grasp on a biblical understanding of Israel's past, present and future, he turns a critical eye on the political and religious policies of the region's prime players, resorting neither to blind pro-Israeli sentiment nor to reactionary pro-Palestinian bias. Aikman challenges us to a uniquely Christian approach to the Middle East: respect, reason and love, rather than unqualified tolerance on the one hand or religious crusading on the other.

- A well-informed and comprehensive look at the recent history and current issues surrounding the Middle East
- Author is a frequent commentator on NBC, ABC, CNN, Fox News and the BBC

AND HE DWELT AMONG US

Teachings from the Gospel of John

A.W. TOZER

TITLE SUMMARY

Many Christians are familiar with the prophetic voice of Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings (adapted from sermons given to his parishioners) is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the "heavenlies." No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to John's, the Beloved. Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord.

TOE-TO-TOE WITH YOUR TEEN

Successfully Parenting a Defiant Teen Without Giving Up or Giving In

JIMMY MYERS, PHD, LPC

TITLE SUMMARY

Defiant, out-of-control teenagers are holding families hostage to their selfish demands. It would be easy to judge the parents of these teens as ineffective and even easier to label the kids as "bad seeds," the symbols of a self-centered generation. But the truth is that even solid, Christ-focused families are not immune to the turmoil created by rebellious teenagers. Every day, family counselors across the country see well-intentioned parents who are driven to their wits' end by the daily struggle against their children's unmanageable behavior, desperate for a shred of hope that things can change. They also see teenagers whose lives hold great promise, but who need help navigating their way to maturity. In *Toe-to-Toe with Your Teen*, Dr. Jimmy Myers offers fresh hope to disheartened parents who are doubtful that they can make a difference in their teen's life. He lays out proven, specific strategies to help parents put a stop to unruly behavior, exert their God-given authority and parent their teen to success.

WHAT'S RIGHT WITH THE CHURCH:

A Manifesto of Hope

ELMER L. TOWNS

TITLE SUMMARY

The early believers of Jesus Christ knew that they were not just members of an organization, nor were they just an extension of Old Testament Judaism. They knew that they were followers of the living Lord Jesus Christ. They were members of a thing called the church. Through the centuries, the church has been the most powerful transforming force in history. Yet in America many observe it as anemic and powerless. Author Elmer Towns contends that there is good news, there are many things that are still right with the church. *What's Right With the Church* affirms the positive things that are present in the church today, and what will carry it forward as a transforming force. This book is not a defense of the traditional church, nor does it run to embrace all new forms of worship. Rather this book examines the biblical nature of church allowing the best to come forth. It is not a book about old churches, new churches or home churches. It is a book about what is right about every true church, no matter the expression, history or culture. A growing number of people are not aware of the enduring strengths of the church. The author contends that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith in this new century, they must be established on foundational, biblical truths and core values. And when this happens, the church thrives as a transforming force.

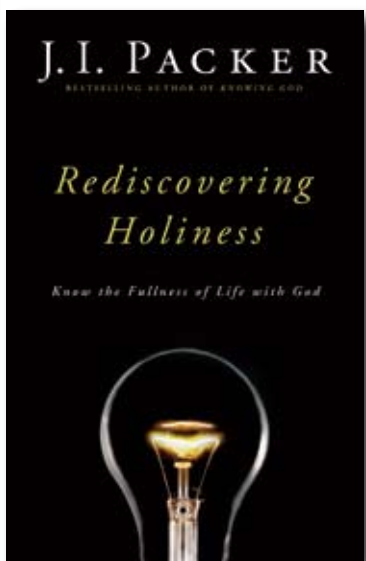

KEY SELLING POINTS

- A positive, yet humble, answer to the wave of books, articles and blogs critical of the Church
- Highlights initiatives within local faith communities to fulfill the Church's mission
- Challenges church leaders and laypeople not to give up on the Body of Christ, but instead to re-vision the Church's future

ABOUT THE AUTHOR

ELMER L. TOWNS is Vice President of Liberty University, where he also serves as Dean of the School of Religion. He cofounded the university with Jerry Falwell in 1971. REDISCOVERING HOLINESS:

Know the Fullness of Life with God

J. I. PACKER

TITLE SUMMARY

"There was a time," writes renowned theologian J. I. Packer in this classic book on biblical holiness, "when all Christians laid great emphasis on God's call to holiness. But how different it is today! To listen to our sermons and to read the books we write, and then to watch the zany, worldly, quarrelsome way we behave, you would never imagine that once the highway of holiness was clearly marked out for Bible-believers." In this revised and updated edition of *Rediscovering Holiness*, the highway is once more clearly marked out for a new generation of readers, pointing to true freedom and joy, both now and in eternity.

KEY SELLING POINTS

- Revised and updated edition of a Christian-living classic contains new teaching from the author using an illustration from the life of Mother Theresa

WHEN GOD TURNED OFF THE LIGHTS:

True Stories of Seeking God in the Dark

CECIL MURPHEY

TITLE SUMMARY

Every devoted Christian experiences periods of time when God seems far away, when the light of His face seems to have turned away and left His child to fumble in the darkness. During periods of spiritual blackout, when God seems to be silent, we feel as if we've been put on hold: We wait and wait for God to get back on the line. We know it will be wonderful when the light comes back on and drives away the darkness, but we want it now—not later. Award-winning writer Cecil Murphey has journeyed through this darkness three different times during his many years following Christ, and each time was more difficult than the last. He suggests that believers have three choices when the lights go out: (1) Give up, (2) examine ourselves for sin or failure, or (3) accept that God's face is hidden with His purpose in mind. In *Soul Eclipse*, readers will learn how to make the most of their time on hold by pondering the mysteries of God's character, confident that He will turn the lights on once again.

KEY SELLING POINTS

- Inspirational title from the *New York Times* bestselling collaborative writer of *90 Minutes in Heaven* and *Touchdown Alexander*
- Encouragement and insight for believers struggling with spiritual dryness, depression or a "dark night of the soul"
- Author shares his own journey through a time of darkness and offers the lessons he learned through the experience
- Foreword by best-selling author Don Piper

LOVE, ACCEPTANCE AND FORGIVENESS:

Being Christian in a Non-Christian World

JERRY COOK and
STANLEY C. BALDWIN

TITLE SUMMARY

How can the Church be a healing force in the world? In this long-time bestseller now revised and updated, authors Jerry Cook and Stanley C. Baldwin suggest that it is only when believers admit their own brokenness that they can love, accept and forgive those who are hurting around them and put out the "welcome mat" to their community. They offer churches and individual believers clear teaching about who the Church should be in a hurting world, and as veteran leaders who practice these principles, they speak from experience, not theory. Through touching true stories and practical guidelines for connecting with fallen, sinful people, Cook and Baldwin announce the good news that the Church is not broken—it's broken people who can change the world.

- New revised and updated edition features a study guide for individual and group study
- Encourages people to adopt a vision for individual ministry and the mission of the Church
