

## How Well Do You Know Your Students?

Instructions for Use:

- Duplicate one page per student.
- Fill in as much information as you know about each student.
- During the next few weeks, ask the questions to which you do not yet know the answers.
- Periodically review the questions for each student, adding new insights you have gained about each one.

**Student's Name:** \_\_\_\_\_

**1. Briefly describe the student's home situation.**

Names of parents or caregivers:

Names of brothers and/or sisters:

Other information you know about the child's home situation that will help you pray for him or her:

**2. What kinds of activities does the student like the most? Least?**

**3. What skills does the student have difficulty with?**

**4. Name several classmates the student enjoys playing with.**

**5. Describe the student's progress in spiritual maturity.**
